

# SoftWood GSFile

*The  
Database  
Manager*

*a professional-quality,  
full-featured database management  
system for the Apple IIGS™*

*Requires 512K*

## ■ disclaimer

SoftWood Company makes no warranties, either expressed or implied, with respect to the program described herein, its quality, performance, merchantability, or fitness for any particular purpose. This program is sold "as is." The entire risk as to its quality and performance is with the buyer. Should the program prove defective following its purchase, the buyer (and not the creator of the program, SoftWood Company, their distributors or their retailers) assumes the entire cost of all necessary damages. In no event will SoftWood Company be liable for direct, indirect, incidental or consequential damages resulting from any defect in the program even if it has been advised of the possibility of such damages. Some laws do not allow the exclusion or limitation of implied warranties or liabilities for incidental or consequential damages, so the above limitations or exclusions may not apply.

## ■ register

Congratulations! You have just purchased the SoftWood GS File from SoftWood Company. Although it is not copy protected, we do provide you with a serial number for your convenience. SoftWood Company plans to offer software in the future which will enhance and/or complement the SoftWood GS File. To register your purchase simply complete and return the attached registration card.

## ■ disclaimer

"Apple Computer, Inc. makes no warranties, either express or implied, regarding the enclosed computer software package, its merchantability or its fitness for any particular purpose. The exclusion of implied warranties is not permitted by some states. The above exclusion may not apply to you. This warranty provides you with specific legal rights. There may be no other rights that you may have which vary from state to state."

"ProDOS 16 is a copyrighted program of Apple Computer, Inc. licensed to SoftWood Company to distribute for use in combination with SoftWood GS File. Apple Software shall not be copied onto another diskette (except for archive purposes) or into memory unless as part of the execution of SoftWood GS File. When SoftWood GS File has completed execution Apple Software shall not be used by any other program."
